SORBE

Meet the Sorbe pouf family which brings dynamism and fun to the outdoors among B&T's new designs. Using suitable materials for outdoor conditions by preserving the same design language, B&T reshapes its unique forms and the authentic lifestyle that it has created, and its new designs erase the boundaries between the indoors and outdoors.

Product Details

Despite its voluminous look, it provides a functional use with its lightness and easy movability thanks to its aluminium internal frame.

Easily adapting to every style with its simple and minimal style, the pouffes turn into a perfect element of balance in spaces of different sizes, namely, large or compact.
