Chair - Bar Stool

Indoor

Sole

Meet the Sole series, designed to offer a bold, balanced and timeless expression through its vibrant colour focus and geometric clarity.

Characterised by a harmonious form that avoids unnecessary complexity, Sole brings a dynamic presence to the spaces it inhabits.

The series includes a chair and barstool, both suitable for indoor and outdoor use.

Rather than being limited to a single tone, Sole invites playful compositions through customisable colour combinations.

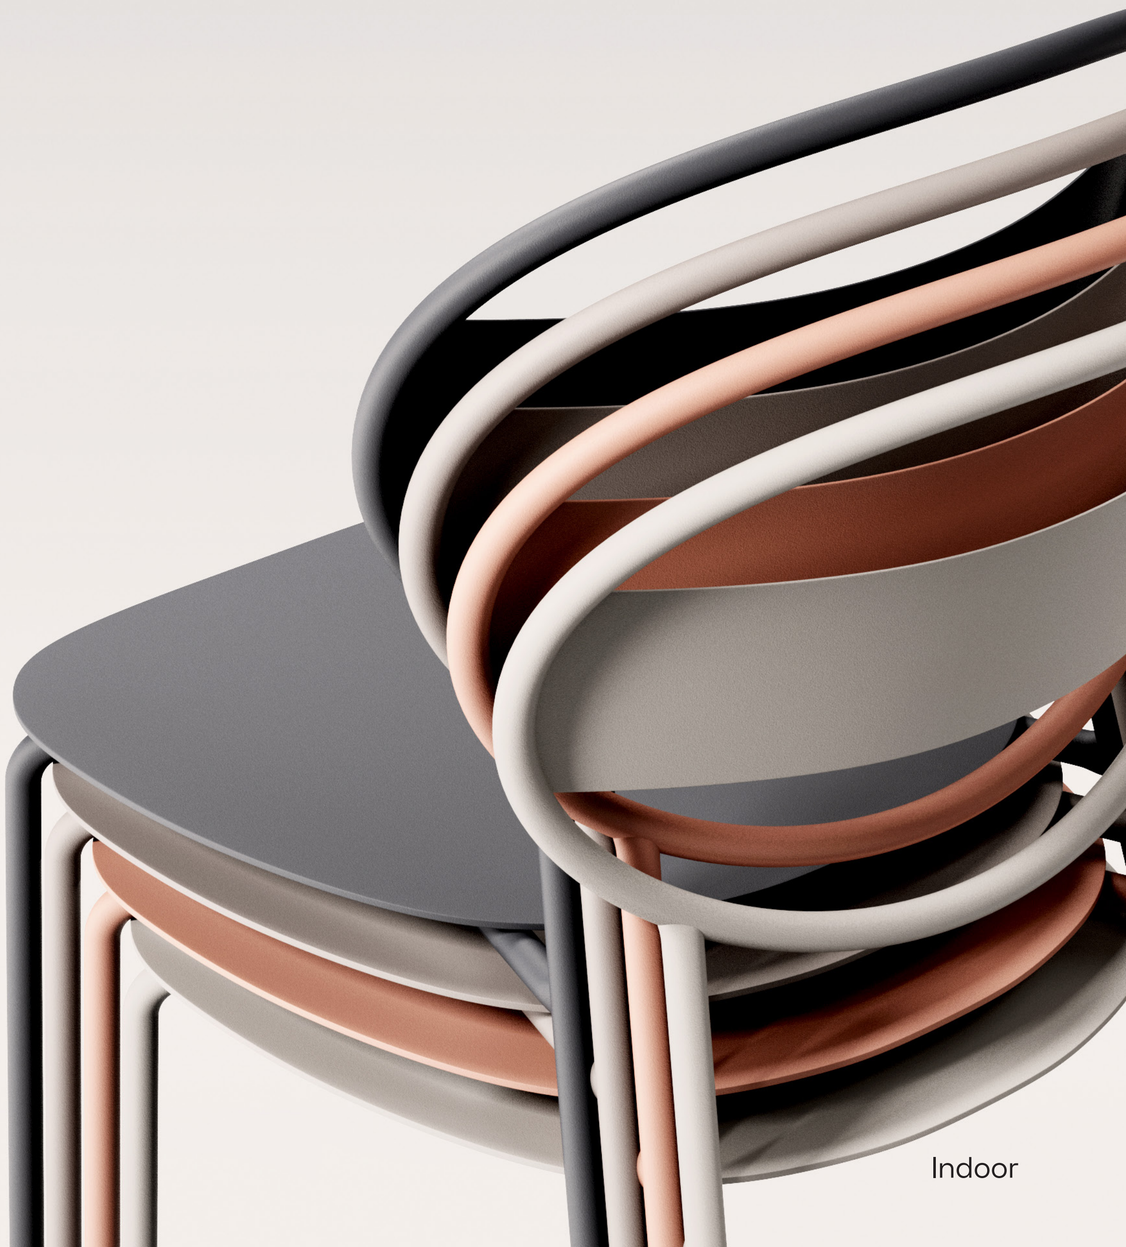

Sole

Chair - Bar Stool

Indoor

The metal structure is treated with a cataphoretic coating that provides resistance to outdoor conditions. With its lightweight and compact form, Sole is easy to store, carry and reposition.

The subtle opening between the seat and backrest not only adds visual character but also serves as a functional grip point.
