Spirit

Spirit

Chair

Indoor

Spirit

Spirit is a finely crafted chair that showcases the harmony of wood and upholstery through a design that demands production precision and attention to detail. Defined by its seamless transitions, Spirit stands out with a unique construction technique where the upholstered seat and backrest are inserted into carefully milled channels in the solid wood frame.

The result is a chair with a refined yet warm character, suitable for high-end restaurants, cafés, modern dining spaces and design-focused work environments. Spirit is available with or without armrests, and the wooden frame can be finished in a wide selection of stain colours to suit the setting.
