Dante

Meet Dante with its twisted back and legs with a linear form, where familiar forms turn into a unique design, and the wood captures integrity by being processed in a continuous flow.

Chair - Bar Stool

Indoor

Designed in two models as chair and bar stool, the Dante Series reflects its character exclusive to each space, with the rich texture of wood reinforcing its silhouette formed by its perfectly twisted body and clearly linear forms.

Product Details

Standing out with its comfortable experience and timeless style as well as its solidity, Dante offers an unfaltering, long-lasting use thanks to its main material, wood, being strengthened with the metal frame under the seat surface.

Designed in three different design alternatives, completely wooden, or with upholstered seat and back, or with upholstered seat Dante meets different needs.
