Mentor

Mentor

Chair

Indoor

Mentor

Mentor is a high-performance executive chair that combines sculptural form with advanced comfort. Designed for senior workspaces, it stands out with its refined proportions, masterful upholstery, and striking stitch detailing that accentuates its tailored character.

Available in both high and low back versions, Mentor supports long working sessions with its ergonomic structure and independent movement of seat and backrest. The anti-tilt mechanism enhances sitting comfort while promoting natural posture changes throughout the day.

Product Details

Easily stretches back and supports different parts of the body during the stressful working session. Its reflection of B&T Design's perfect craftmanship and masterful upholstering skills. The stitch detail is striking. Sculptural and qualified. Mentor's seating area and back moves independently.

While its high back and its mechanism of laying down provides that the chair elegantly tilts back and forth, it makes the user experience the sense of being relaxed and carried. Its cross-stitches elegantly emphasizing its refined workmanship and quality characterize the design.
