Bob

Meet the Bob Sofa, with its simple and timeless design, offers the flexibility to perfectly adapt to every space and prioritizes comfort with its twisted form and high backrest.

Designed as single, double and triple units, the Bob Sofa gently divides space with its rounded form and high, sheltered backrest.

It acts as an anchoring piece, providing extra flexibility in adapting to any environment, thanks to the fixed and rotatable base options in the single model.

Product Details

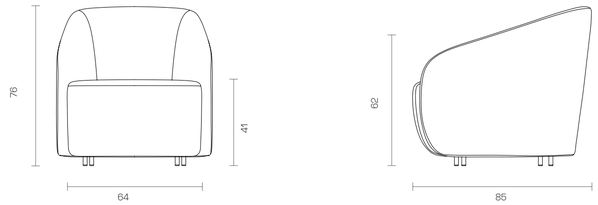

Offering the opportunity to create numerous combinations with its different colour, fabric, and leather alternatives on the internal and external parts, adding dynamism to the design.

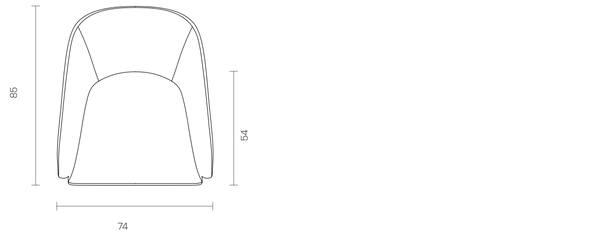

The Bob Sofa turns into a perfect style, independently of the style of the interior space where it is placed, thanks to its impressive look drawing attention on both sides.
