Manifesting its cozy, sharing and inviting caharacter through both its design and the dining table, the coffee table and the bank, which consitutute its product group, the Elusive Family offers a timeless comfort with its harmoniously matching pieces.

While the iroko and technical stone upper table alternatives, which complete its modern look by creating a linear pattern, are combined with the body and legs constituted with the aluminium extrusion method where all the colours in the colour chart can be applied, they also stand out with their elaborate craftsmanship.
